11th Annual Dinner Silent Auction

OPENING THE WORLD (OTW) is a Marin-based, grassroots program designed to empower and expose youth at risk to a world beyond their own through volunteer, leadership, educational, and cultural experiences within their communities and abroad. OTW serves transitional age youth at risk, ages 16-26, who have experienced significant challenges in life such as poverty, familial crises, foster care, homelessness, problems with the law, substance abuse, and mental health issues including significant trauma.

Today, we are asking you to support these youth who are trying to better their lives by sponsoring our annual fundraising event.
